@BwdArtTrail #EssexSummerArt
Introducing the Trail...

Welcome to Essex’s eighth Summer of Art, showcasing artists from across the county from June to September.

The Brentwood Art Trail has been running since 2009 and, as a key part of this Summer of Art, it is a great way to enjoy the work of the Borough’s many talented artists.

Visitors can see a variety of work that will be displayed in participating shops and businesses throughout Brentwood.

This year we have many free tours and talks planned for art afficianados of all ages (see back cover).

We hope you enjoy the trail. Please feel free to share your photos and observations via Twitter (@BwdArtTrail) using the hashtag #EssexSummerArt.

Please note that all artists, venues, and opening hours are subject to change. Errors and omissions excepted.

**Tree Trail - NEW FOR 2016**

We are lucky that Brentwood has beautiful outdoor space. Brentwood Borough Council is passionate about encouraging more residents (and visitors from outside the Borough) to enjoy local nature.

There seems to be a growing number of requests to cut down local trees. The new tree trail project aims to negate some of this activity by encouraging an appreciation of trees and their importance in the environment (and indeed our everyday lives!).

Suffolk artist, Ben Loughrill, has taken 3 fallen trees from across the Borough and carved them into works of art that have been placed in the following locations:

**Seymour Fields, Ingatestone**
**Hutton Poplars**
**Warley Country Park**
*(at the intersection of Warley Hill and Pastoral Way, just opposite Beechwood Surgery)*

Please visit [www.brentwoodarttrail.co.uk](http://www.brentwoodarttrail.co.uk) for a map of the tree locations.
